# ROUND ONE

## *Thai Country Club*

Thai Country Club is a prestigious member's only course. One of the best golf courses in Bangkok, setting the standard for service and excellence.

Designed to US standards by Denis Griffith's, the course opened in December 1996. Set up for tough challenges for major international events and PGA Tournaments.

The course is 7,157 yards in full length where Tiger Woods cruised to a comfortable 10 – stroke victory in the Honda Classic. The Thai course is immaculately maintained all year round, features an abundance of water hazards and classic bunkering and regularly voted in the Top 5 courses in Asia.

# ROUND TWO

## *Alpine Golf Club*

Alpine Golf Club, Bangkok is one of Thailand's most prestigious and challenging championship courses.

Designed by Ronald M. Garl, this lush, beautifully landscaped course is renowned for its undulating fairways, fast greens, and strategic bunkering.

It has hosted major international tournaments, including the Johnnie Walker Classic, and offers a true test for serious golfers. Surrounded by tropical flora and complete with world-class facilities, Alpine delivers a five-star golf experience just outside the buzz of Bangkok.

# ROUND THREE

## *Nikanti Golf Club*

Just 35 kilometers west of Bangkok, Nikanti is perhaps Asia's first 18-hole, par-72 course comprising three six-hole layouts, each individual layout consisting of two par threes, two par fours and two par fives.

The design allows for starts at three different points on the course in addition to flexibility in number of holes played. At no other destination in Asia can be found such a truly distinctive all-inclusive golf experience.

From tee to green - as well as from chef's kitchen to dining table and during exceptional private events - Nikanti Golf Club aces every pleasure.

# ROUND FOUR & FIVE

## *Black Mountain Golf Club*

Black Mountain was transformed from lush jungle and pineapple plantations and located around 25 minutes west of Hua Hin. Set in a valley surrounded by huge black granite rock covered mountains, the Hua Hin golf course was the site for Asian PGA tour events in 2009 and 2010 and the Europe versus Asia match play Royal Trophy in 2011. In 2012 and each year since Black Mountain was selected as one of the 100 best golf courses outside the USA by Golf Digest magazine. Black Mountain is not only a test for the top professionals but also very playable for the average golfer. One of Asia's best kept conditioned golf courses in pristine condition.

# ROUND SIX

## *Banyan Golf Club*

Built among a former pineapple plantation, Banyan Golf Club in Hua Hin opened in October 2008. Immediately following, the course was awarded 2009 Best New Course in Asia-Pacific by the readers of Asian Golf Monthly. Since then Banyan Golf Club course, clubhouse, and staff have consistently claimed 'Top 3 in Asia' awards and have been featured in the 'Rolex Top 1000' in the World. The course provides for spectacular mountain and ocean views from almost all of the holes and is one of the best layouts in Hua Hin. The signature 15th hole is a 139 yard par-3 with panoramic ocean views all the way to Singtoh (Tiger) Island in the Gulf of Thailand. Hole 12, a par-5 monster is 610 yards, all uphill, making it a challenge to reach for even the most accomplished of golfers.

# TOURIST ACTIVITY

## *Wat Arun Ratchawararam Temple*

Wat Arun, also known as the Temple of Dawn, is one of Bangkok's most stunning and recognisable landmarks. Located on the banks of the Chao Phraya River, its striking central spire is beautifully decorated with colourful porcelain and glimmers in the sunlight.
