IMPRESSIVE

Saigon & Danang

This tour of Vietnam is amongst some one of the most iconic golfing destinations in the Asian continents.

Your tour starts in Ho Chi Minh City traditionally known as Saigon, transferring to the spectacular Norfolk Mansion near the World Top #35 Greg Norman Design The Bluffs golf course, a most incredible sand-based Links course with ocean/back drops you cannot experience elsewhere in Vietnam. Here you will play Mr Hoang's Norfolk Invitational Tournament, forget about how the other half live, this is how the "one per cent" do it. With an abundance of prizes, presentations and extreme personal service, this tournament is one to experience, not to forget 4 x Audi luxury cars up for grabs to the lucky "hole in one" players on every par 3!!! With the emphasis on private, it is not to be missed.

Here you make way to Danang, where we play a Luke Donald designed Golf Club, called Ba Na Hills, often compared to the classic link courses in Scotland and Ireland. However, instead of traditional sea views, this world-class championship Par 72 course is positioned between panoramic views of the mountains, and undulating fairways and greens with elevated tees for spectacular views. This course has it all, you will not be disappointed, demanding golf at its best.

Then in 45 minutes from Danang, we take the opportunity to play Hoiana Shores golf club, a private Robert Trent Jones Design course, newly opened in August 2019, this course ticks all the boxes, a sand belt beautifully conditioned links style with lush green fairways, perfectly designed holes that will want you playing again and again.

Finally, after experiencing two different cities in Vietnam, with the utmost freshest produce and spectacular scenery you can imagine, this is a city that has everything going for it. Golf will be played amongst the best in Vietnam, with all the first-class service, caddies, carts and fully escorted.

This tour will be one you will never forget!

GOLF

at the Famous Hoiana Shores

Set against a spectacular coastline and unspoiled natural terrain, Hoiana Shores brings the design genius of Robert Trent Jones Jr. to Vietnam – for the very first time.

Offering majestic views of the Eastern Sea and Cham Islands, Hoiana Shores Golf Club (HSGC) offers a thrilling links golf experience for golfers of all levels. With a spectacular natural seaside setting, a luxurious clubhouse and 18 challenging-yet-rewarding holes, this is a must-play course for any golf enthusiasts visiting the region.

PLAY

at the BRG Da Nang Golf Club

BRG Da Nang Golf Resort is situated on the fledgling central coast of Vietnam with 350 hectares in area (200 hectares Nicklaus course and 150 hectares Norman course) and similar to what the world's first golf courses were carved from. It is the first golf course in Danang to harmonise designs from the industry's top two designers: **Jack Nicklaus and Greg Norman.**

BRG Da Nang Golf Course's chief feature is a 7.160-yard, 18-hole, links-style layout that was designed in the true spirit of the game – blown-out bunkers, firm and fast fairways that bleed gently into wild seaside vegetation, rugged waste areas, swales and hollows – by Australian golf legend and former world No. 1 Greg Norman.

Following the banks of Coco river, Nicklaus Course owns the broad fairway, features the first and only genuine North America hardwood bulkhead, and is one of the longest course with 7.380 yards, 18-hole, and Par 73.
